

Tall Timbers

SMITHTON, TASMANIA

FREE ON-SITE RV PARKING

PLENTY TO SEE AND DO

Tall Timbers is your destination to discover some much needed you time. Life is simpler here, yet richer. It's a place where the great outdoors and small pleasures collide. Relax, unwind and discover. Tall Timbers is located at Smithton, gateway to the abundant attractions of Tasmania's North West Coast, including the magical Tarkine Wilderness.

Tall Timbers has a strong timber influence in keeping with the region in which it sits. In its infancy Tall Timbers began with 12 standard motel units in 1989 with the main hotel complex and has now evolved through two expansions. 95% of the materials used in the construction were local Tasmanian Timbers from the Circular Head region. Local Saw-Millers produced the Tasmanian Oak, while Britton Brothers and Grey's Timbers product milled the Blackwood, Sassafras, Myrtle and the fine timber veneers.

Just a short drive to the historic town of Stanley, Tall Timbers offers AAA rated 4 Star accommodation facilities including 67 spacious rooms and self-contained lakeside apartments.

Tall Timbers Tasmania is located in Circular Head, on the edge of the Tarkine Rainforest and a short drive from the historic town of Stanley. Tall Timbers is a modern hotel, accommodation and entertainment venue for guests and travellers visiting North West Tasmania and offers free parking to fully self-contained recreational vehicles from October to May each year (closed June to September).

Vehicles are welcome at the property for a maximum stay of 72 hours in a 14 day consecutive period. Circular Head is an RV friendly region with a waste point located on the west side of Duck River Bridge in Smithton, approximately 3 kilometres from Tall Timbers. While at Tall Timbers you are welcome to use the facilities (some with a small charge) including tennis courts, pool/spa and gym, coin operated barbecues and guest laundry.

Enjoy a drink or meal in our award winning sports bar & bistro, try your luck in our gaming room or just walk the expansive grounds. Come and see our reception staff about our facilities including the Tarkine 4WD Adventure Tours.
